

# TRAINING PATH + OJT HOURS

How to use this workbook

## EMPLOYEE / ASSIGNMENT

|                  |            |                    |
|------------------|------------|--------------------|
| EMPLOYEE         | LOCATION   | POSITION           |
| ASSIGNED TRAINER | START DATE | TARGET REVIEW DATE |

## WEEKLY CYCLE

- 01

**PLAN**  
At the start of the week, the trainer and assistant review the targets and any carryovers.
- 02

**PRACTICE**  
Train under the applicable approved procedures. Record only actual supervised method hours on the OJT log.
- 03

**ASSESS**  
At week end, mark each target Met, Continue, or N/A; record evidence and the next action.
- 04

**CARRY FORWARD**  
List unmet target IDs on the next week’s page; reassess until met. Total and sign the OJT log at month end.

## METHOD CODES ON THE OJT LOG

MT Magnetic Particle | PT Liquid Penetrant | UT Ultrasonic | EC Eddy Current | EMI Electromagnetic Inspection | VT-RSC Visual Rotary Shouldered Connections | VT-Weld Visual Weld | FLUT Full Length Ultrasonic Testing

Method names and required experience hours must be confirmed against Zion’s approved written practice before this form is issued. This workbook records training and experience; it does not itself authorize certification.

### TARGET / EXPECTED CAPABILITY

MET

CONT.

N/A

**01.01** Ensure Employee has signed Onboarding paperwork and it has been turned in.

☐☐☐

**01.02** Set Employee Career Path w/ clear timeline for goals. (Day 1)

☐☐☐

**01.03** Explain and provide OJT hour sheets. (Day 1)

☐☐☐

**01.04** Understands Importance of Quality & Critical Procedures. (Day 1)

☐☐☐

**01.05** Time & Attendance, Zion Chain of Command / Customer Key Personnel (Day 1)

☐☐☐

**01.06** Dress Code/PPE, Profanity, Music, Bullying/Harassment, & Phone/On Task Policies (Day 1)

☐☐☐

**01.07** Safety & Hazard Identification/Training/Reporting (Day 1)

☐☐☐

**01.08** Overhead Crane Use/Safety (as needed.) (Day1)

☐☐☐

**01.09** Understand Wash Bay Etiquette/Safety & Customer/Location Requirements. (Day 1)

☐☐☐

**01.10** Introduce to Corrective Action / Non Conformance Reports. (Day 1)

☐☐☐

**01.11** Box Drilling Safety, Procedures, Equipment, and Maintenance. Washing out ID's. (Day 2)

☐☐☐

**01.12** ID Checking for Rags/Debris. (Day 2)

☐☐☐

WEEK 1 / TARGETS CONTINUED

Plan at start • Assess at end

|       |                                                                                                                               |                          |                          |                          |
|-------|-------------------------------------------------------------------------------------------------------------------------------|--------------------------|--------------------------|--------------------------|
| 01.13 | Leaving Serial Numbers Facing Up (Day 2)                                                                                      | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 01.14 | Competent in filling Soap Cans and maintenance.                                                                               | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 01.15 | Ability to differentiate Inspection Methods / Tool Materials (Introduce Gauss Meter/Coil)                                     | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 01.16 | Tool Identification. (Week One)                                                                                               | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 01.17 | Housekeeping: Rolling up Cords, Washing Walls, Taking Out/Picking Up Trash, Stocking Supplies, Organizing Job Box/Truck, etc. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 01.18 | Read Employee Handbook / Manuals. (Week One)                                                                                  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |

#### TARGET / EXPECTED CAPABILITY

MET

CONT.

N/A

**04.01** Competent in Connection Names and association with Tools. (Week 3) (Introduce DS1 Inspection Table)

☐☐☐

**04.02** Competent with selecting Profile Gauges / Gauging Connections Correctly

☐☐☐

**04.03** Can Identify Dimensional Names. (OD, ID, Pin Length, Box Depth, Counterbore, Boreback.)

☐☐☐

**04.04** Introduce DS1 Book. Show Inspection Table and Inspection Criteria for different tools. Show them how to reference sections.

☐☐☐

**04.05** Introduce Double Shoulder Refacing / Measurement Criteria.

☐☐☐

**04.06** Introduce Developing Connections. (Time of Developer on Tool before Inspection Temperature, Puddling/Frosting, Spray Distance, etc.)

☐☐☐

**04.07** Order Company Uniforms for Employee.

# OJT HOURS + TRAINING HANDOFF

Use with completed weekly assessments and signed monthly experience logs

## EXPERIENCE SUMMARY

| METHOD  | ASNT REF* | TOTAL NDT* | ZION TARGET | HOURS LOGGED | GAP |
|---------|-----------|------------|-------------|--------------|-----|
| MT      | 280       | 532        |             |              |     |
| PT      | 210       | 406        |             |              |     |
| UT      | 840       | 1,603      |             |              |     |
| EC      | —         | —          |             |              |     |
| EMI     | —         | —          |             |              |     |
| VT-RSC  | 210 VT    | 406 VT     |             |              |     |
| VT-Weld | 210 VT    | 406 VT     |             |              |     |
| FLUT    | —         | —          |             |              |     |

\*ASNT NDT Level II application experience: MT 40/76 days, PT and VT 30/58 days, UT 120/229 days (method/total NDT). One day is at least 7 hours; hour figures above are calculated minima. VT-RSC and VT-Weld share the VT benchmark, not separate ASNT certifications.

## READINESS REVIEW

- ☐ Weekly targets reviewed; carryovers addressed
- ☐ OJT logs reconciled with work records
- ☐ Required classroom training completed / scheduled
- ☐ Eye exam and other prerequisites checked where applicable
- ☐ Management reviewed eligibility against current written practice
